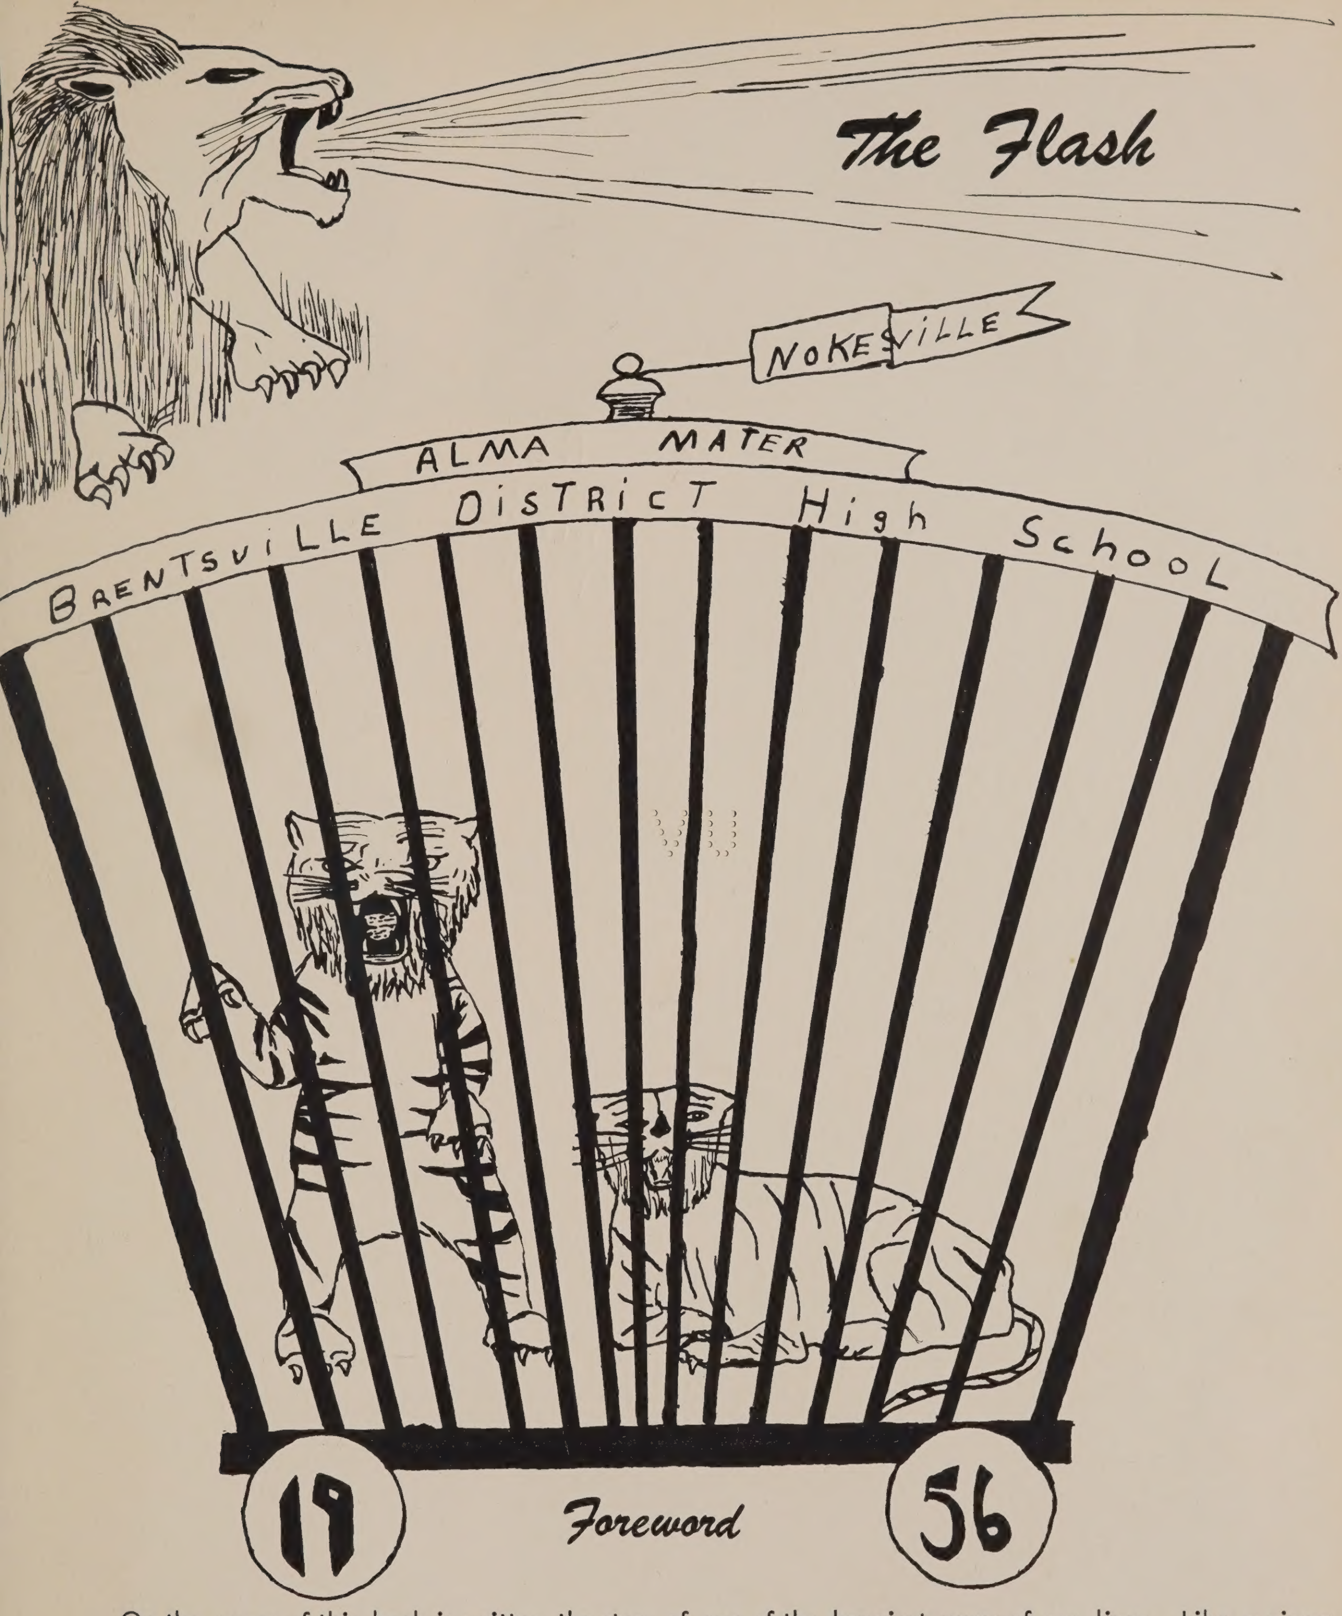
The Flash



Foreword

On the pages of this book is written the story of one of the happiest years of our lives. Like a circus parade, we have moved from a gay event to the more serious side of classwork, and back again to the ever present job of becoming what we would choose to be in the future.

The Flash Staff of 1956 has recorded the events of this school session as a Circus Parade, winding its halting way through the halls of Brentsville District High School.

We trust that our readers will find within the covers of our book of memories all the joy, pride, ambition; yes, even disappointment, and sometimes sorrow of our high school years. The bands play, the clowns caper, the marshalls keep order, and the parade moves on for the twenty-sixth year.

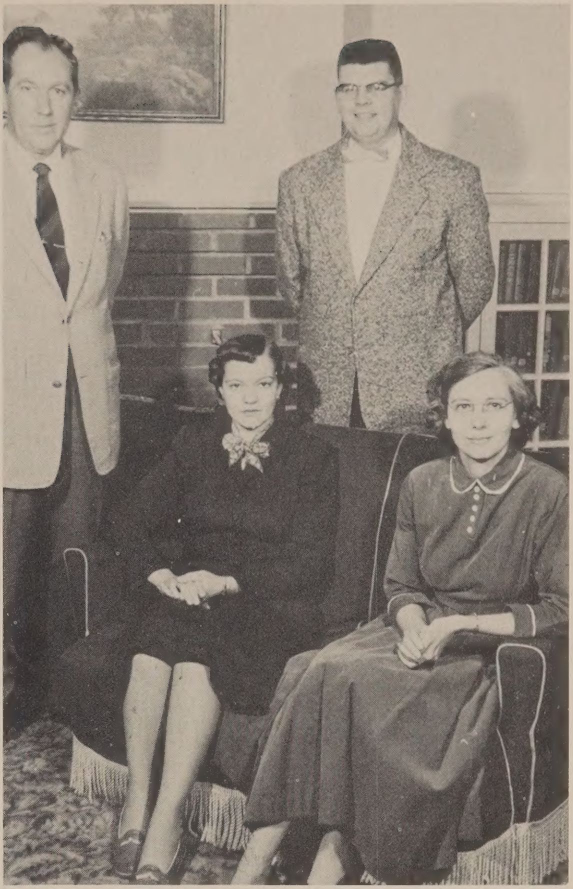
Dedication

To You Who Have Guided Us

The Seniors



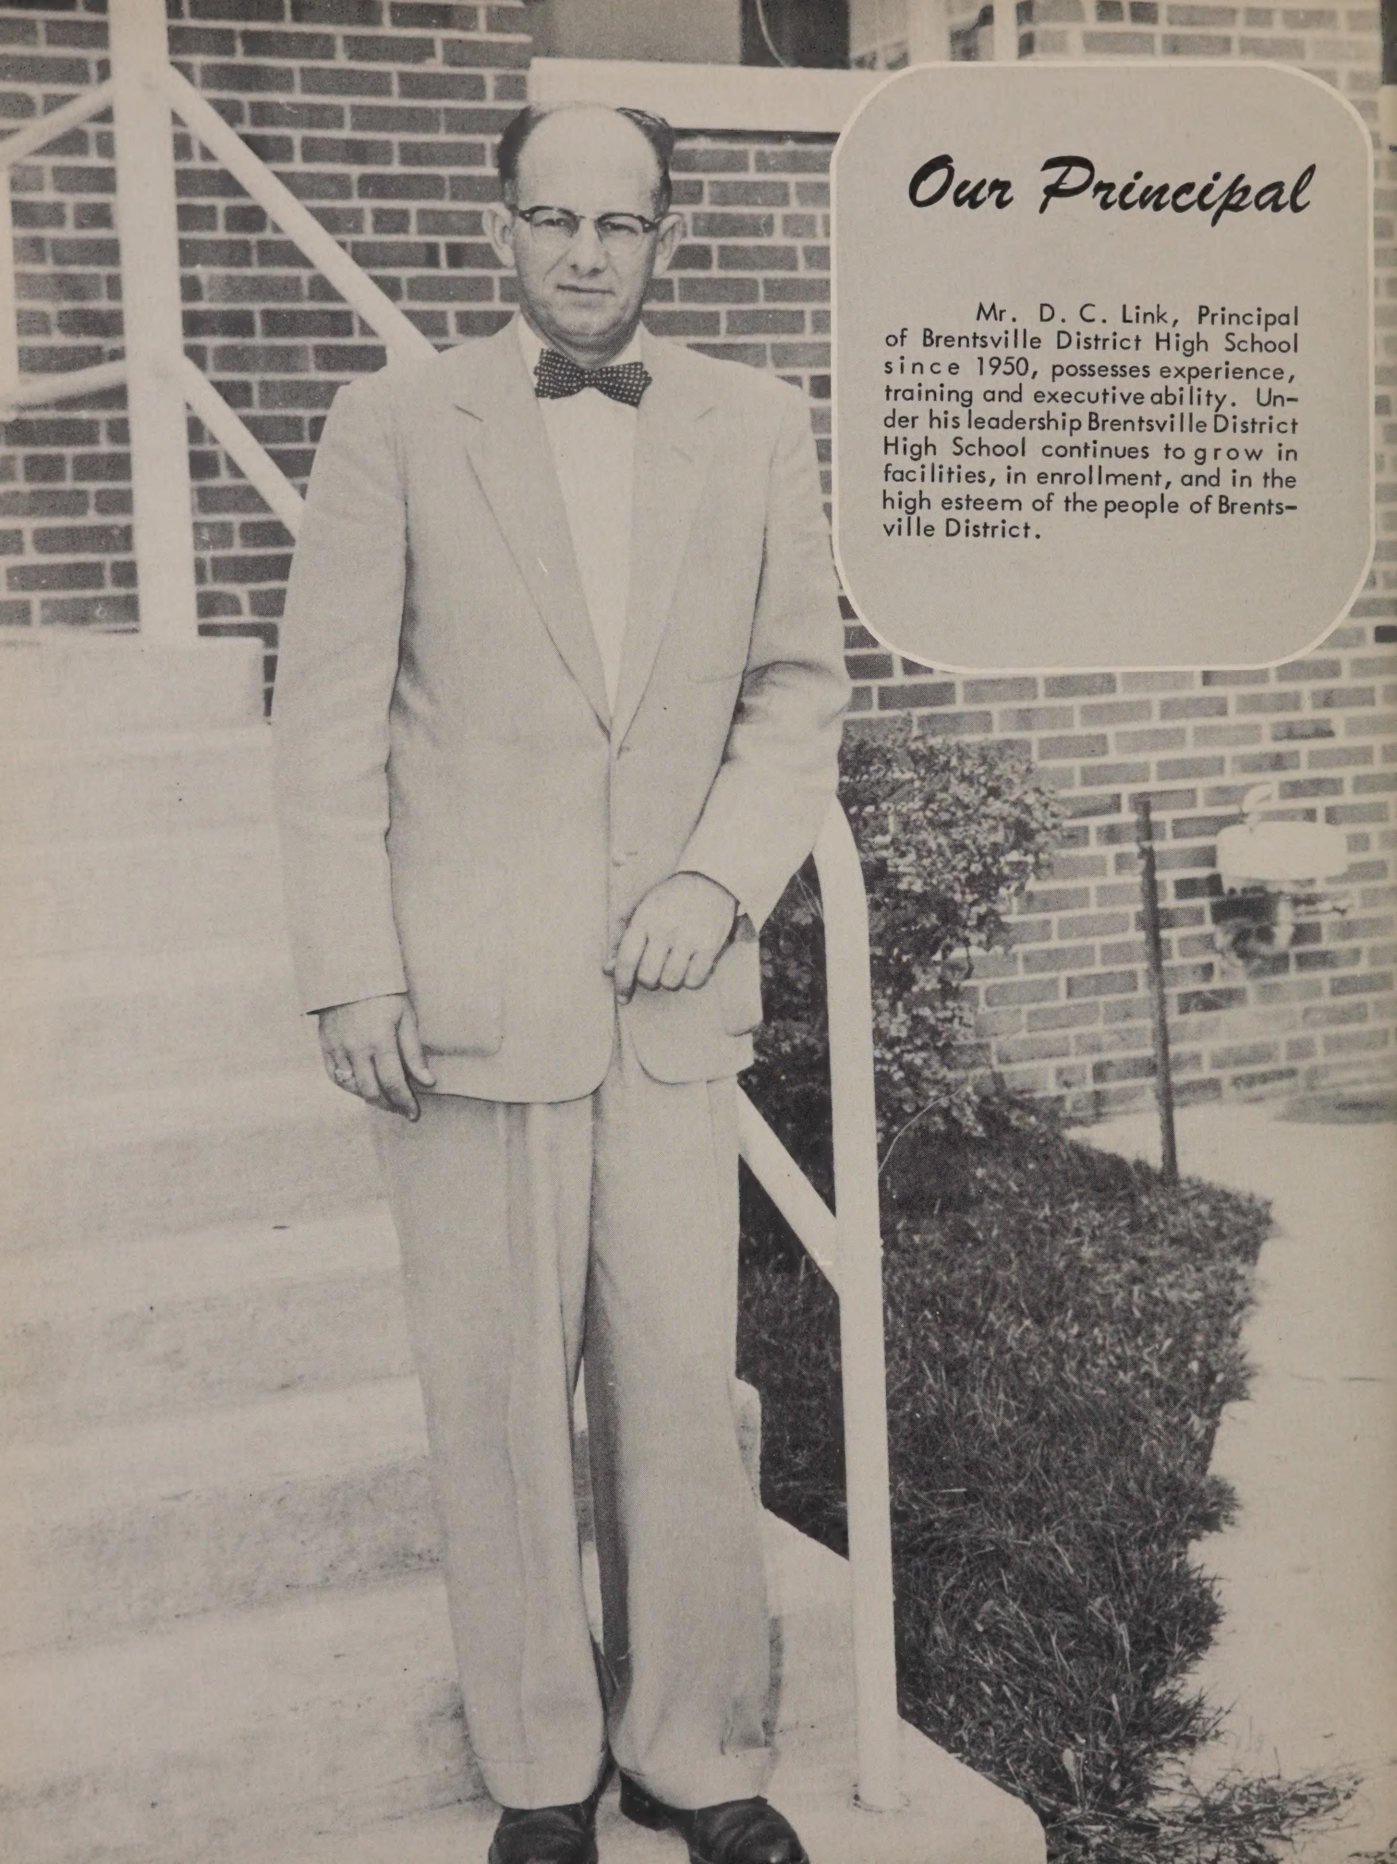
TEACHERS

PARENTS

We dedicate this, the twenty-sixth edition of the Flash, to our parents and to four members of our school faculty and staff. They have guided our lives in the paths of unselfish service, wisdom, and virtue. Worthy membership in a progressive society has been their goal for us.

As a means of showing our appreciation for their hard work and unselfish devotion, we dedicate to each and everyone of our individual parents, to Mr. P.B. Reading, Mr. Francis Daly, Mrs. Marie Reading, and Miss Hattie Mae Partlow, the Flash of 1956.

We are extremely grateful for their encouragement and enthusiasm at the times when our spirits were low. They have helped to make our work enjoyable, and we trust that this volume will be a reminder of our gratitude to them.



Our Principal

Mr. D. C. Link, Principal of Brentsville District High School since 1950, possesses experience, training and executive ability. Under his leadership Brentsville District High School continues to grow in facilities, in enrollment, and in the high esteem of the people of Brentsville District.

Mr. Eddie Nelson and Mr. Eddie Batschelet take time out to eat lunch. Our two custodians are kept busy constantly cleaning the school and keeping it in repair; however, they are always willing to help when asked to fix stage props, stop a leaky faucet, or prepare the auditorium for a meeting. We at B. D. H. S. are very grateful to the two Eddies.

Our Staff

Bouquets are in order for Mrs. Paul Irvin and her helpers, Mrs. John Hyde, and Mrs. Susie Smith. Boys and girls line up 275 strong when meal time rolls around. Circus "chow", especially the hot dogs, is the most popular menu.
LEFT TO RIGHT: Mrs. Susie Smith, Mrs. John Hyde, and Mrs. Paul Irvin.

Keeps Us Rolling

The students at B. D. H. S. are indeed lucky to have competent drivers transporting them daily to and from school. The school and community feel at ease with such experienced and capable men behind the wheels of the four buses that serve the area. They have transported children a total of 240 miles per day without accident.
FROM LEFT TO RIGHT: Mr. Howard Marshall, Mr. L. J. Bowman, Mr. George Herring, and Billy Bolt.

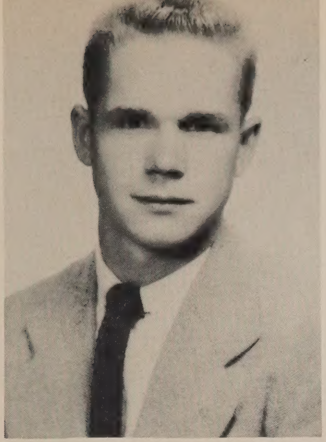
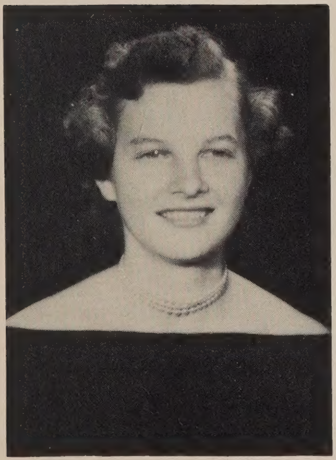
Senior Leaders



ARTHUR ROY PAYNE

Soft-spoken and dependable, Arthur served as a capable vice president of such outstanding organizations as the S. C. A., F. F. A., and the Athletic Association. He was interested in music, and his bass voice could be heard in both Glee Club and the Choir. As drum major he directed the line of march. In 1955, he represented the local F. F. A. Chapter at the National Convention in Kansas City. As a leader or a follower, Arthur was always reliable.



ANNIE LILLIAN SMITH

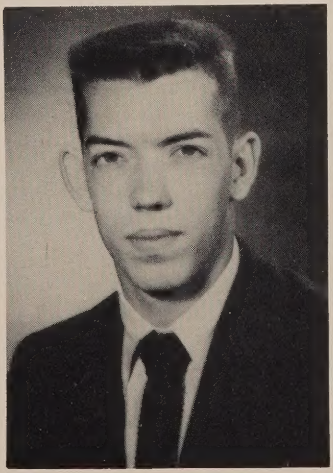
Lillian could best be represented as a helping hand. No job was too big nor too trivial when there was a need for service. She enjoyed her commercial work, band, glee club and school sports. For two years she represented her school in the County Federation of S. C. A. S. She had supporting roles in both class plays and worked untiringly on the school publications. Her classmates considered her the most studious girl.

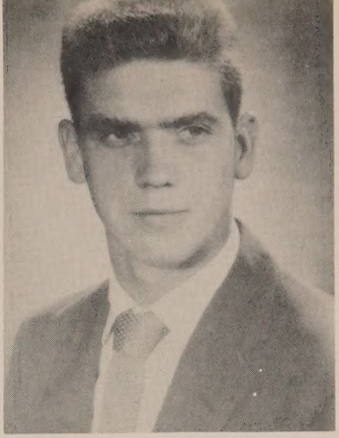
BETTY ANN RANDALL

Valedictorian, Betty Randall, had a variety of interests. She served as editor of the school paper and editor of the FLASH. She played varsity basketball for two years, participated in class plays, and served as secretary to the Student Council. In 1955, she represented her school at the State Convention. She was elected each year to the May Court by her classmates. Attractive, gracious, and charming, Betty was considered most likely to succeed.

DANNY ALDEN NEWLAND

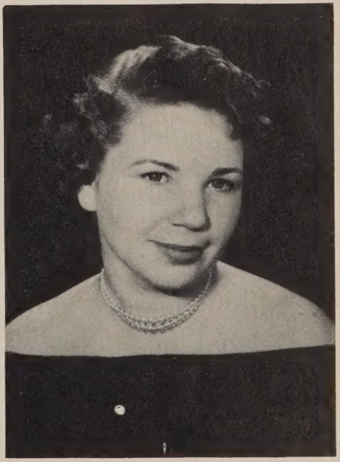
Salutatorian of the class of 1956, Danny attended All State Band, and served as business manager for the local band. He was particularly interested in sports and participated in the State Track Meet. In addition to sports, band, and his academic classes, he was interested in school publications and dramatics. Studious, industrious, and modest, he was well liked by the students and faculty.





DELL ROBERT LUNSFORD

Bobby served two terms as president of the Student Council and was most outstanding in athletic events. He represented his school at the state S. C. A. Convention, and at the State Work Shop. As an active member of the F. F. A., he participated on judging teams and in the sports activities of that organization. Bobby was always good natured, courteous, and considerate of others.



SHIRLEY WALTINE COLLIER

A cheerful, efficient, "go-getter," Waltine represented her school at Girls' State and at the F. H. A. State Convention. She was president of the local F. H. A. Club, active in sports, and most persuasive in securing ads for the FLASH. She enjoyed dramatics, sang in the Glee Club, and liked creative writing. By student vote, she was acclaimed most popular senior girl.
